Dear Members and Friends!

May, June and July were, as always, filled with great programs at the Centre.

On May 9, Sunday Club members commemorated Victory Day. In July, Sunday Club held a special lunch and program to recognize the many volunteers who help to make their programs so special! Special honoree was Sveta Bass who has been the main Sunday Club chef for more than 20 years always providing delicious food. Sveta was accompanied by her family and friends.

Our second annual Bagel Loop: Walk/Run/Roll was a great success! The weather was perfect, food delicious and our members unstoppable: our youngest participant Rowan Wallis, a 3-year-old runner, (the grandson of Hans) and our oldest participant Ed Mickelson, a 91-year-old roller, created a great bond (see the photo)! Thank you to all our sponsors and friends who came and supported us! We are still receiving pledges and donations toward the Bagel loop, so the amount raised will be announced in the next Newsletter.

We would like to say a special thank you to the Edmonton Jewish Community Charitable Foundation for a generous donation towards our kitchen needs. We will purchase a special food processor that will help our wonderful chef Bozena and our incredible volunteers to make salads and other type of food faster and more efficiently.

The Cuban Brunch was a high energy and hot food event. Our friends from the Cuban Movements Dance School not only performed but also involved our members in a spontaneous Salsa master-class. Please let us know if you would like to have Latin Dance classes at the Centre.

This Newsletter is filled with amazing courses for your intellectual stimulation, physical activity and cultural awareness. Mark your calendars and register ahead of time to secure your spot!

Looking forward to welcoming you at the Centre!

Yours,

Svetlana Pavlenko on behalf of the Board

Hundreds of other manuscripts contain prayers and blessings, ancient commentary on the Bible, description of community rules during this time, and much more.
