September has been a busy month. Learning in Retirement began earlier this year. Thanks to Dr. Morris Maduro for his interesting lectures on Venezuela and Guatemala and to Abe Silverman for his stimulating discussions regarding Israel. There is a lot more to come in Learning in Retirement so please read about it in these pages.

Our membership tea with entertainment by Dr. Jerry Katz was a great success. Please renew your membership if you have not already done so.

The "From Survival to Thrival: Shared Historical Experiences" project was inaugurated on September 11. I am eagerly looking forward to its continuation in examining common interests between the Indigenous community and ours. I encourage our members to be informed about and take an interest in this project.

We conclude the programming year with an evening of opera at the Centre on September 25. See the photo below with an incredible singers John Kirby, bass-baritone, Andrea Lett, soprano, and Dr. Leanne Regehr, accompanist. I hope that we continue to keep opera on our program agenda.

Please mark your calendars for our Annual General Meeting on Tuesday, November 26 at 12:45 PM. Important business including election of our board of directors and appointment of accountants is done at this meeting. It is essential for the continuity of the Centre.

Rosh Hashanah, the Jewish new year 5780 begins the night of Sunday, September 29 and the holiday period continues until October 22. I wish all members a good new year. Thanksgiving also occurs during that time and I extend best wishes to all members that they will have much for which to be thankful.

Lewis Wasel, President

Thursday, September 12, we attended The Gruger Family Fungi, Mushroom Farm. It was a very interesting trip in a luxury coach. We learned about the processes used to grow mushrooms, the uniqueness, healing powers, and the varieties of mushrooms. One unbelievable fact that we discovered is that mushrooms are closer to human than they are to plants.

Please join us for a Community Gathering (with complimentary lunch)
to learn more about our project

From Survival to Thrival: Shared Historical Experiences

The First Session will take place on Monday, October 28 at 1p.m.

We are partnering with the Indigenous community to look for commonalities in the effects of persecution, stereotyping, oppression, humiliation and attempts to destroy culture and spiritual practices.

We have invited the Holocaust committee of the Jewish Federation of Edmonton and other Jewish organizations to participate in this important project and we are looking forward to our collaboration.

This will be a forward looking project in which we will examine how both peoples have survived the past and can now go on to successful futures.

Please approach the Office for more details about your potential involvement.
